Message from the president

Ten years since SWAAC ELSO started from India. Marked progress was achieved in the field of ECLS in the region over this time. Thanks to ELSO and dedicated healthcare professionals in the field of critical care, anesthesia and cardiology who are doing large efforts to save lives in this very special community which is different and diverse in its cultural and economic aspects. Today a new move with the first newsletter coming from SWAAC ELSO, we will update you with our activities including training courses, committee activities and senior clinical tips and tricks.

Enjoy !

Akram Abdelbary
